

CARE COORDINATOR OPENINGS

Are you looking for a full time professional position working as part of a team in an office setting or from your own home office? We are looking for people who have a passion to work with older adults and those with disabilities to achieve maximum independence and positively impact and improve their well-being and health care outcomes.

As a Care Coordinator, primarily through telephonic care coordination, you will assist consumers participating in Long Term Services and Supports through a collaborative process of assessment, planning, implementing, monitoring and coordinating with other health care professionals.

If you have strong computer skills, are able to work independently, and have a desire to assist consumers in receiving appropriate, effective and efficient services, this is the right job for you. A Bachelor's degree in Health or Social Services is required with preference given to those with one year community service experience, working knowledge of Long Term Care system, MaineCare, Home Care Options and are licensed, or eligible to obtain license in social service (LSW, LSX, or LMSW) or health professional field (RN, OT, or PT). In some instances some travel and home visits are required.

Positions available Statewide.

Interested individuals should submit a letter of interest including salary requirement, and resume [to jobs@seniorsplus.org](mailto:to.jobs@seniorsplus.org), or:
