

## **Online Education Center Volunteer**

SENIORSPLUS, the designated Area Agency on Aging for Androscoggin, Franklin, and Oxford counties, provides resource information, programs, and services that support independent living and healthy aging for older people and adults with disabilities. Our EIM program is Maine's leader in Care Coordination which connects people throughout the State with home care services. Our goal is to allow our clients to "Thrive in Place" - to remain at home safely and comfortably for as long as possible.

If you are looking for an opportunity to be a part of our "Best Places to Work in Maine" organization and have the necessary qualifications, we have a new and exciting opportunity as the **Online Education Center Volunteer**.

As the Online Education Center Volunteer, you will work closely with our Community Education Supervisor to help us host and manage our monthly and ongoing weekly Zoom/virtual events. You'll quickly become the face of our growing virtual education center. This is a wonderful opportunity for someone looking to stay actively involved with our community, socialize with others, and grow through participating in program opportunities.

Estimated hour commitment per week will vary based on offerings and your availability.

Duties could involve up to 5 days per week, Monday-Friday and include the following:

- Host Zoom classes, programs, and other offerings
- Zoom participants on the Zoom calls
- Track attendance

If you are interested, please reply to [volunteerservices@seniorsplus.org](mailto:volunteerservices@seniorsplus.org) or call 207-795-4010.
