

## **Care Coordinators Needed for York and Cumberland Counties**

### **Want to be a positive influence in the lives of others?**

If you enjoy working with older people and those with disabilities, and working from a home office in Maine, then come join the SeniorsPlus team!

Care Coordinators working for SeniorsPlus in the State of Maine assist clients to make informed choices to live safely and independently in their communities.

Support is provided primarily through telephonic care coordination, assisting clients to achieve maximum independence and to positively impact and improve their well-being. All of this occurs through a collaborative process of assessment, planning, implementing, and monitoring with other health care professionals to coordinate the client's plan of care.

Some travel and home visits will be required.

### **EDUCATION and/or EXPERIENCE**

- **Bachelor's degree in Health or Social Services required**
- **Minimum of one year in Social/Human/Community Services required**
- **Familiarity with the long term care system a plus, strong computer and organizational skills required**
