

### **Want to be a positive influence in the lives of others?**

If you enjoy working with older people and those with disabilities, and working from a home office in Maine, then come join the SeniorsPlus team!

- Care Coordinators working for SeniorsPlus in the State of Maine assist clients to make informed choices to live safely and independently in their communities.
- Support is provided primarily through telephonic care coordination, assisting clients to achieve maximum independence and to positively impact and improve their well-being.
- All of this occurs through a collaborative process of assessment, planning, implementing, and monitoring with other health care professionals to coordinate the client's plan of care.
- Some travel and home visits will be required.
- 

### **EDUCATION and/or EXPERIENCE**

- **Bachelor's degree in Health or Social Services required**
- **Minimum of one year in Social/Human/Community Services required**
- **Familiarity with the long term care system a plus, strong computer and organizational skills required**
